

## OUR QUALITY POLICY

As PCA, our quality policy is;

To consider the needs of all related parties in accordance with the regulatory and legislative requirements; to ensure customer satisfaction; to offer certification and education services at national and international levels; to employ national and international, experienced audit personnel; to provide the current personnel and auditors with the required training; to ensure consistent progress; and to conform to the principles of impartiality and confidentiality.

Our audit activities are carried out in accordance with the ISO 17021-1, ISO 22003, ISO 19011, ISO 50003, ISO 27006 and accreditation scope by informing the relevant parties through following the advanced technology and current knowledge regarding their certification activities.

Our institution is sensitive about the environment and natural resources and conveys this sensibility to other related parties.
